

- ◆ Have you checked your engagement ring lately?
- ◆ Are you sure that the diamond is safe in the setting?
- ◆ Why? The claws over the years to wear down, and there is the risk that you could use your valuable diamond- stone.
- ◆ Has the gold work work too thin?, or is it broken?
- ◆ Is your finger size correct? – do you need to add more for comfort, or take some away so your ring doesn't slip off and get lost.

Our Service:

1. Inspection to ensure your ring is safe
2. Suggestion / Quote on work needed
3. Insured Postage charge on all work by jeweller

- ◆ Fast turnaround
- ◆ Quality work guaranteed
- ◆ 60 years Experience

We can do an inspection if you're not sure.
