Scarf Consignment

An EXCLUSIVE SERVICE to all Homestead Direct Customers

- The fee for a scarf consignment is \$25 and this must be paid prior to the scarves being dispatched to you. This is our bond fee and includes postage charges. Scarves will not be sent out unless this bond is paid.
- You may keep the scarves for up to 7 days but they **MUST** be returned within that time frame simply because we have a lot of customers like yourself that want scarf consignments, and we need to continually rotate the stock in the shop. If the scarves are not returned within 7 days and no alternative payment plan has been discussed and agreed, an invoice will be raised and prompt payment is expected.
- Alternatively, you can send your garment or pictures to us and we will do our best to find a solution to match your wardrobe!
- Please view and peruse your delivered scarves. If you are keeping a scarf, please contact us with your payment details. Options below :
 - * Cheque - please make this out to Homestead Direct
 - * Credit Card - please call us and we can process this over the phone
 - * Direct Deposit - please put your name as the reference.
